First 30 Days of Season 25

Announcements Otter Jan 3, 2022

Welcome to the Season of the Hero

The first theme of 2022 is the Hero. A brave bird offers the protection of its cloak to three small chicks. Being a hero doesn't always mean going into battle; sometimes, it means being patient when you feel impatient or generous when you don't have a lot to give.

As Xbox Ambassadors unlock tiers this season, the profile banner will change more significantly than it has in the past. Watch as you help the birds come out from the dark night and into the hopeful light of day!

#XA2022 Challenge

Are you up for a challenge? Throughout the month of January, we want to hear what goals Xbox Ambassadors are setting for the New Year. Share on social media with #XA2022 and in the Ambassy (forums). Don't forget to find specific prompts for these on the Xbox Ambassadors Mission page!

Ambassador of the Month

Put your hands together for new Ambassadors of the Month! Do you know someone in the XA community who goes above and beyond? Someone who helps new gamers and welcomes veteran ones back? A person who is almost always happy to have a chat and brightens up our social spaces? Let a Community Manager know about them with a nomination.

Here are some of the criteria to become an Ambassador of the Month:

- Committed to the ideals in the Xbox Ambassadors Pledge
- Active in the Xbox Ambassadors Program
- Lead by example in the way they interact with others online
- Representative of the fact that gaming is for everyone

And we hear you. Helpful, welcoming, all-around-awesome human being? Does that sound like you? You can nominate yourself! However, nominations that come in from your friends may be given more consideration.

Who are these Ambassadors of the Month? They are our Community Champions, leaders among leaders. You can get to know all our current Community Champions in this blog.

Do good, win big in 2022

If those words sound familiar, it's because they were pulled directly from our Sweepstakes page. "Do good, win big." By completing missions, you are (1) helping the Xbox community grow stronger, (2) taking time to learn about diverse communities within the gaming community, and (3) trying out new games. Certain missions award Sweepstakes Tickets in addition to Experience Points (XP).

With new prizes added every month, why not put some tickets toward a prize? Win a game for yourself or a friend. Just remember to check if the game/item is available in your region and compatible with your device, by clicking the link to the store page.
